

Dear Parents/Guardians,

This packet is in your child's snow day folder because they are receiving speech therapy services in school. These activities are designed to be quick ways for your child to try to use his/her correct speech sounds or language skills with you in a short conversation or activity. If you are unsure of what communication skills your child is working on, please refer to his/her IEP or feel free to contact me at jenna.tews@springfield.mntm.org.

Please try to complete two boxes per snow day. These activities are designed to be verbal, so your child does not have to write down his/her answer and turn that in. Please mark the activities you completed and sign the bottom of the sheet. As incentive, if your student turns in the sheet when we are back, he/she will receive a bonus sticker on his/her sticker chart.

I have included a different sheet for each month in which a snow day may occur. Your student only needs to activities for the current month. If we do not have a snow day in a particular month, please feel free to discard it.

Again, please feel free to contact me with any questions.

Thank you,

Jenna Tews
